## **FANTASEA EXPRESS LAUNCHED – THE FASTEST AND MOST DIRECT SERVICE TO / FROM HAMILTON ISLAND**

Hamilton Island Airport passengers can now transfer direct to and from Airlie Beach using a new ferry service offered by Fantasea Adventure Cruising.

From Monday February 1, the service will connect with all arriving and departing flights from Hamilton Island, cutting at least 15 minutes from the transfer time to the mainland.

This means that passengers arriving on a 10.25am flight from Melbourne would disembark at the Abel Point Marina at Airlie Beach at noon.

An introductory one-way fare of \$45 for adults and \$25 for children will apply for a limited period which also includes a scheduled pick-up and drop-up transfer service to hotel or holiday accommodation.

Fantasea Adventure Cruising General Manager, Michelle Rynne said that the company is delighted to launch a streamlined service which cuts down travelling time and offers added convenience to passengers.

Bookings can be made via tour desks, travel agents or by calling the Fantasea Hotline on 1800 650 851.
